DG LINC / DIRECTORATE D

Overtime & Travel time

QUICK GUIDE | Self-contained HTML form | v1.5.3

1 Complete or edit your profile

Name, personnel number, unit, grade and place of employment are mandatory. Signature is optional.
Profile is remembered by your browser. When you reopen the form, a completed profile is collapsed.
Select **Edit profile** to reopen it.
The **version button** checks for updates; **Changelog** and **Quick Guide** open info dialogs.

2 Add missions or skip this section

In **Missions**, enter number, title and destination.
Selecting **Session STR** automatically fills **Place** with Strasbourg.
The **Travel time compensation** section only appears after saving at least one mission.
With no mission to declare, use **Skip**.
The recap and Edit missions reopen the section. Data is kept.
Regular work and **Session STR** are also available directly in **EHW**.

3 Complete travel time compensation

Enter each mission's **Outbound** / **Return** places, dates and times in the same time zone.
Use **Edit** / **Update** to make changes, or Remove to delete an entry.
Review the calculated day categories and periods.
Standard = no credit; **Long Friday PM** = 03:30;
weekend / holiday / closing day = 04:15 per half-day, or 08:30 for both.
(AM / PM boundary: 12:00).

4 Enter extra hours worked (EHW)

AST 1 to AST 4 - Overtime must be declared in the HRM Portal

Select Activity, Place, Date, Start, End and Justification. Dates may span months.
Session STR: Monday-Thursday only. Check **Ends the next day** when needed.
Select **Long Friday**, **Public holidays** and **Closing days** manually.
For lunch work, check **Worked during lunch** and set **From / To** within your shift and lunch break.
Fixed HH:MM fields accept all minutes; the picker offers quarter-hours.
Calculations round **Starts** / **Ends** to the nearest quarter-hour, including lunch, before coefficients.
Actual inputs are kept. Example: 08:12–17:46 counts as 08:00–18:00.
Saved entries lists saved work; use **Include**, **Edit** or **Remove**.
PDFs group EHW by month, with 21 lines per page and automatic continuation pages.

Automatic EHW calculation

Standard Mon–Thu / Long Friday: 08:30–17:45. **Lunch**: 12:45–13:30.
Standard Friday ends at 13:30.
Session STR Mon-Thu: 08:30–12:45 and 14:30–18:45; **lunch** 12:45–14:30.
Normal hours and unworked lunch are excluded.

Type 1 x1:	07:00–22:00	on working days, Saturdays and closing days.
Type 2 x1.5:	22:00–07:00	on working days, Saturdays and closing days.
Type 3 x2:	00:00–23:59	Sundays and public holidays.

5 Save your work and generate the PDF

The **Summary** appears after saving **Extra hours worked** or **Travel time compensation.**
Check **Declaration date** before export.
PDF content selects available declarations automatically. You may change it.
Monthly EHW pages come first, then one page per travel declaration.
Resolve any listed issues, then click **Generate PDF**. Approval fields remain fillable.
Use **Save filled HTML** to retain all declarations and resume later; browser profile storage does not back them up.

EHW and travel are calculated independently. Eligibility and authorisation require Head of Unit approval.
